Effective October 1, 2007, UC has expanded their Business Travel Accident Insurance. When traveling on official University business you will be covered worldwide, 24 hours a day, for a wide variety of accidents and incidents while away from the workplace. You can find expanded information at the following link: http://safetyservices.ucdavis.edu/risk-management-services/foreign-travel-insurance-program

This coverage includes:

1. Emergency Medical Evacuation
2. Security Extraction
3. Out-of-Country Medical (Deductible $50/occurrence)
4. Loss of Personal Effects (Deductible $25/occurrence)
5. Accidental Death
6. Accidental Dismemberment
7. Paralysis
8. Permanent Total Disability
9. Repatriation of Remains
10. Other Travel Assistance Services (when business traveler is 100+ miles from home or office; security extraction not subject to mileage limitation)

This new program requires that you register each OUT OF STATE business trip. You do this at the following site: www.uctravel.org

Be prepared to enter the following information:

- First and Last Name
- Employee Type (such as faculty, staff, senior management)
- Country Visiting
- Main City Visiting
- Visit start date
- Visit end date
- Purpose of trip

After completing the form, you will receive confirmation of coverage and information to use in an emergency while traveling on University business both domestically and abroad.

For those of you who travel, many of you don't travel out of state and won't be impacted by this. If you do travel out of state and you forget to register, you would still have coverage but without the specific information that you would be provided by registering, you may not know how to receive benefits if needed.
